

**Canal Winchester High School
Marching Indians
Commitment Form**

I have read, and understand the commitment and responsibilities involved in becoming a member of the Marching Indians. Prior to each season, the directors spend many hours preparing music arrangements, drills and squad layouts for the upcoming performance season. As such, *each member plays a vital role* in ensuring the success of the season through his/her commitment to attend required practices and rehearsals and maintain the integrity of the marching band. Non-committed members who choose to not take this commitment seriously cause undue hardships on the directors, their peers and the program as a whole.

Therefore, I understand that by signing and returning this form, I am making a solemn commitment to the directors, my peers and the Canal Winchester Marching Band. This commitment shows my determination to make the Marching Indians a part of my high school experience of which my family/friends and I can be proud for years to come. Additionally, this commitment shows the directors they can count on me for the entire season. I understand that paying the required fees provides a spot written specifically for me in the pre-game and contest shows for the upcoming 2011-2012 marching band season.
